

## **Student COVID Procedures for ABE Classroom**

You will need to complete the COVID-19 Self-Assessment – it is online at [southeastmn.edu](https://southeastmn.edu) at the top of the page. There is also a computer in the entry of the college where this can be done before going to the classroom. This needs to be completed again every day you come into the college and classroom.

### **Two Things to Remember During COVID Restrictions**

You must wear a facemask at all times while in the college.

No children allowed in classroom

### **What to Bring to the Classroom**

Following are the materials you should bring to the classroom, they will no longer be provided for you:

Pencil/pen

Calculator

Headphones

Notebooks are also encouraged – taking notes is an important way to review what you have learned.

### **When in the classroom:**

Sign into logbook (on desk by the door)

Wipe down the area you will be working in – wipes are located in a dispenser to the right of the classroom door.

When done working, take another wipe and clean area you were working in.

Sign out of logbook.
